REAL VS. FAUX LEATHER

FAUX

Crafted from leftover leather scraps coated in polyurethane, giving a smooth, consistent finish that's durable and water-resistant.

REAL

Made from genuine hides for a natural scent, soft yet sturdy feel, and a premium look that develops character over time.

Where Leather & Faux Leather Patches Can Go

- Hats: From snapbacks to beanies, they're the go-to headwear upgrade.
- Jackets: Add instant edge to denim, leather, or canvas.
- Bags & Backpacks: Turn your carry-all into a statement piece.
- Aprons: Perfect for chefs, baristas, or makers who want style with function.
- Blankets & Quilts: A cozy detail that makes it yours.
- Drink Sleeves: Because your coffee deserves a little style, too.

POPULAR PATCH SHAPES

Here are some of our favorite patch shapes—circles, squares, shields, and custom designs. Choose your shape, and we'll help bring your idea to life.

Don't see one you want? Don't worry! We do fully customized shapes too.

LEATHER COLOR OPTIONS

Leather doesn't mean boring brown. Pick from classic tones, bold colors, and unique textures. Add a vintage wash, contrast stitching, or clean modern finish—whatever suits your style. Here are some of our most popular color options. Don't see one you like? Don't worry, we can do it all!

BACKING OPTIONS

Stick, Stitch, or Swap?

Not all patches are created equal—and not all are attached the same way. Here is what we offer:

1.
HOOK & LOOP
Removable and reusable—requires loop side on the surface to attach.

2.
IRON ON
A great no-sew option—just heat press and you're set.

3.
NO BACKING
Best for sewing directly onto gear—clean, lightweight, and permanent.

4.
ADHESIVE
Great for temporary placement or mock-ups—must be sewn on for long-term use.
